#### BEST WISHES FOR CHRISTMAS.

Christmas will come and go before another issue of The Township Register reaches it great family of readers; and soon another year will be born into this troubled world. The publisher therefore, takes this last opportunity to wish everyone a Merry Christmas, and express the hope that the year 1934 may ease somewhat the financial pain that the year just closing has brought upon practically everyone. It will not be easy to be merry this Christmas. It was no easier the Christmas before, nor for many holiday seasons have material things made the heart glad and lithesome.

In spite of poverty for many millions in America, and crushing worries for millions more, the world goes on; and in the heavens the same stars appear at night that twinkled the Eve that the Christ Child came into the world to lead men to God, and later through the epochs of time cleanse men of sin.

Though centuries have passed since that blessed event in Bethlehem, man still remains somewhat of a savage, and Christ's injunction that we should love our neighbor as ourself, has gone unheeded. The cataclysm of war-wholesale murder -brought us where we are today, and remains to consume the wealth of nations and fill people with hate. Because we have not been truly good Christians, we find ourselves in great want and stumbling about for a cure; straying from the churches and the spirit of Christianity we and our leaders grope about like men in a great darkness, when if they and we would but look up, would see the torch, lit centuries ago, still burning, to guide man's uncertain and weary feet to peace on earth, and turn his spirit at last toward heaven.

### WASHINGTON TOWNSHIP **BEATS WATER PROJECT:** SPURNS COURT HOUSE

Washington township voters on Decoto No. 1 Tuesday beat the Central Valley project and the county court house bonds in a light vote. Slightly more than 1000 voters east their ballots in the sixteen precincts in the township.

Niles beat the water project by even votes and passed the court louse bonds by six votes. Centerville voted down the water project by one ballot and approved of the new court house by a margin of 16 votes.

### FRANK S. BROWN STRICKEN SUDDENLY BY DEATH SUNDAY

Pioneer of Newark, 65, Drops Dead On His Ranch.

Apparently in good health and doing daily chores on his ranch near Newark Sunday Frank S. Brown, 65-year-old resident of Washington township, was stricken with a fatal heart attack. He is survived by his wife, Mrs. Georgia L. Brown, and by a son, Norman E. Brown. The deceased was a brother of E. L. Brown and F. H. Brown, both of Oakland.

Born in Ohio, Brown came to this region many years ago. He was one of the oldest and most highly respected citizens of the Newark region. He was a veteran of the Spanish-American war.

Funeral services were held Tuesday, December 19 at 2 p. m. from the chapel of the National Cemetery at the Presidio of San Funeral arrangements were under direction of the Chapel of Palms,

### NILES XMAS TREE SHEDS YULETIDE BRILLIANCE

spect Tuesday evening when the town Christmas tree flashed into brilliant life. Rows of trees ranged along the store fronts, added to the sparkle of decorated trees in windows gave the street a festive air.

Tony Alves assisted by A. J. Petsche strung the lights Tuesday afternoon.

At a previous meeting of the Niles Chamber of Commerce, it was suggested that the number of lights be increased this year, in view of the fact that the living Chirstmas tree had grown several inches during the year. The suggestion met with acclaim until A. J. Petsche stated that the addition of more lights without due preparation of transformers and line, would result in blown fuses and globes. The scheme was postponed for another year, but the free is as attractive as ever.

Receiving word that her sister. Mrs. Julia Straven, was seriously ill in Berkeley, Mrs. Garett Norris Tuesday morning went to Bereley where she will remain a flew days.

### Why **Liquid Laxatives** are Back in Favor

The public is fast returning to the use of liquid laxatives. People have bearned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.
